**Abstract and Biography due
January 24, 2019**

**Papers due
February 7, 2019**

**PowerPoint Presentation due by
April 4, 2019**

JFTEC views as unprofessional, the arbitrary withdrawal of a paper once it has been committed to by the author, accepted by the program committee and widely announced in the advanced technical program.

Submission of Manuscripts

Author and Co-Author(s) of a paper for oral presentation at the JFTEC are required to furnish a written manuscript of the paper, curriculum vitae, registration form and a completed copyright form.

The papers will be published in the JFTEC 2019 Proceedings and made available on the JFTEC Online Library. In keeping with JFTEC 2019 guidelines of a “neutral ground for technical exchange,” JFTEC 2019 has established policies that rule against commercialism in the technical (oral and written) presentation.

Please thoroughly read the following instructions regarding the preparation of the paper. Failure to comply with these instructions may make it necessary to omit the paper and the oral presentation from the program.

Digital Guidelines for Proceedings Papers

The following is a list of guidelines for the submission of Papers

1. All authors must submit a Word Document of their papers with graphics placed in the body of the paper. This file must not be compressed.
2. Digitally Prepared Graphics Photographs and other scanned art must be saved as TIFFs or JPEGs. Do not apply LWZ compression to these files. All files must be at 300dpi, at the desired final size. All bit mapped scans (black & white bmps) should be at least 600dpi, at the final size. All other types of graphics should be saved as eps documents or converted to TIFFs or JPEGs. Authors must include hard copy of their graphic files along with all original photographs and artwork.
3. Compression All files except for the text file can be compressed (zipped). Do not use compression programs that results in an “.arj” file extension or in multiple file segments.

Graphics

Authors may provide original art such as drawings or photographs. All original art must be 8.5" x 11" or smaller. No overheads are allowed. Authors should not submit printed material or laser/ink jet prints as final art. In no case should authors provide photocopies or faxes to be used for art of any kind. Charts cannot be color coded; use dashed lines or other keys that will work in black and white.

1. All photographs and images submitted must be digital and at a resolution of 150 DPI or higher
2. All graphics including line illustrations, charts, graphs and tables must be of the highest quality and suitable for reproduction. (Special arrangements can be made for the preparing of graphics for reproduction at the author’s expense-consult with JFTEC). All graphics must have a figure caption.
